Basic principles of technical assistance implementation

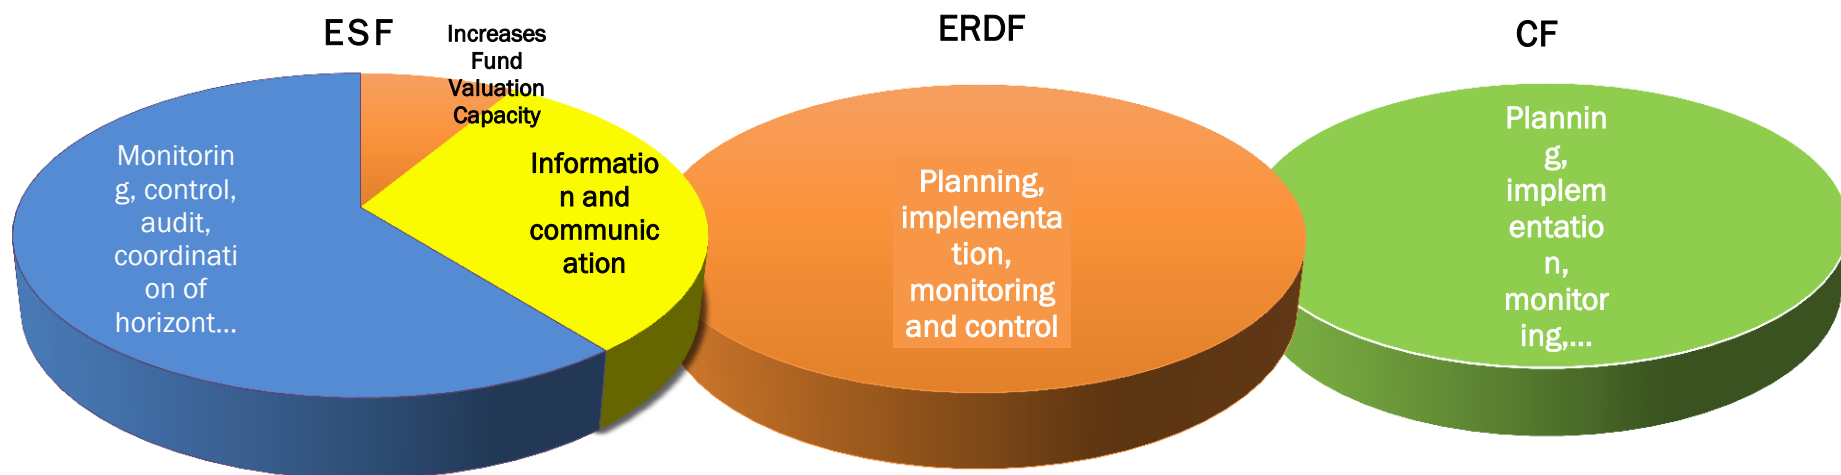

Ministry of Finance
Republic of Latvia

Specific support objectives for technical assistance

5 specific support objectives

Key Challenges in Implementing 2021-2027 Technical Assistance

Strengthening administrative capacity

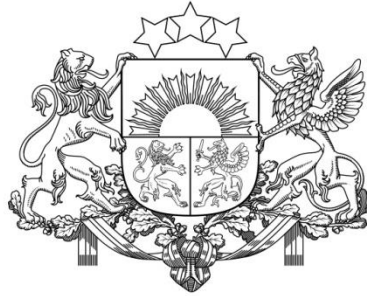

- TA roadmaps 2021-27 – reorientation from wages to other forms of capacity building

Simplified costs

- Simple
- Flexible
- Adaptable

Flat - rate financing for TA

- The use of Delegated act (Regulation (EU)2019/1867)
